## EUROCLEAR AND AVANZA BANK

AUXESIS PHARMA HOLDING AB (publ) is now a settlement company and started with Euroclear as the securities institution and Avanza Bank as the company's Issuance Institution. This is the last phase (according to IPO) on the road to get there. We are now in the process to choose which Corporate Finance group we will cooperate with to get listed on the Stock Exchange of choice.

The Exchange AUXESIS PHARMA HOLDING AB (publ) chooses is not yet clear, but we are targeting one of the major ones. This will be presented on our news channel when entering into an agreement.

"Corporate finance is a subset of the field of finance. It concerns proper budgeting, raising capital to meet company needs and objectives with debt and/or equity, and the efficient management of a company's current assets and liabilities."
